IMPORTANT INFORMATION

- Please refer to Enrolment & Fee Statement for Terms and Conditions and current lesson fees & hire charges.
- Half hour lessons are conducted privately on a weekly basis. Music lesson fees also cover the student’s ensemble involvement and tuition when they have reached an appropriate level as determined by their teacher.
- Each student is expected to receive eight lessons per Term. Lesson fees and hire charges where applicable will be charged in four instalments to school accounts at the beginning of each term. If lessons commence after the beginning of an instalment period a pro rata adjustment will apply.
- Students benefit greatly from performing experience and there is an expectation that students learning an instrument/voice through the School will be active members of School Ensembles/Choirs and participate in concerts and assemblies as required.
- Please note that students in the ECC must be escorted to and from their lessons by parent or carer.
- Students are required to attend all scheduled lessons with their music, instrument and record book.
- One Term’s notice (excluding school holidays) in writing is required to discontinue lessons. Charges will continue to apply until the end of that period. Please note charges still apply should your child take extended leave (unrelated to illness) during school Term
- Students or parents must notify their instrumental teacher of absences due to excursions, tests or school events with at least 48 hours’ notice of lessons. Failure to notify the teacher will result in the lessons being charged as usual.
- In case of absence due to illness please notify Vicki Maclachlan on 9788 7733 or vmaclachlan@tps.vic.edu.au before 9.00am on day of absence.
