..............................................................................................................................................................

(parent/guardian name)

the parent/guardian of ................................................................................................................................

(student name)

of Year Level ........................................... acknowledge and understand that the School has a policy
that ALL football and soccer players must wear a properly fitted mouthguard when playing in a match
or at competitive training sessions. I/we understand that there are specific safety/injury problems that
this rule aims to address.

I/We also realise that it is a legal responsibility of the School to ensure that the policy is adhered to for
the safety of all students who play a contact sport for the School.

Bearing this in mind I/we authorise ........................................................... to be exempted from this policy whilst playing the following sport for the School.

☐ Football
☐ Soccer

I/we realise the implications/injuries that may occur as a result of our decision and acknowledge that
the School will not be held liable if our son/daughter is injured as a result of failing to wear a
mouthguard whilst playing in School matches or at training sessions.
