Enrolments at TPS

Prospectus
Enquiries are welcomed by our Admissions staff. The School publishes a Prospectus, which contains valuable information on the School’s programs, facilities and educational values, as well as information on our fees. The Prospectus also includes an Application to Register for Enrolment. Our prospectus is available to download by visiting www.tps.vic.edu.au

School Tours
We offer regular open days and school tours. These are an excellent opportunity to visit the School during a typical School day, and meet with current students and staff. You are also welcome to arrange a personal tour of the School for your family if you wish. Children are very welcome to accompany you on a School tour. Our Admissions staff are very happy to assist if you have any questions, or if you wish to receive a copy of our Prospectus or arrange a School tour. Please telephone 9788 7753 or email enrolments@tps.vic.edu.au

Registration
It is never too early to consider registering your child, as places are limited and there are substantial waiting lists across multiple year levels in advance. Applications usually exceed the number of available places. No obligations attach to registration.

To apply for a place at the School, please complete and return a signed Application to Register for Enrolment form, together with your Enrolment Fee. To process your enrolment we charge a non-refundable fee (including GST) of $100 for one child, or $150 for two or more children registered at the same time. Please call our Admissions Office to receive an enrolment form, or download a copy from our website at www.tps.vic.edu.au/how-to-enrol.html

At this time, your child’s name will be registered on our waiting list for their relevant year of commencement. Please note that registration for enrolment does not guarantee a place at the School. Priority placement on our waiting lists may be granted to students who: have, or who have had a sibling at this School; are the sons or daughters, or grandsons or granddaughters, of a past student of this School; or are transferring from another independent school of a similar calibre to The Peninsula School.

In most other cases, students will be registered on the basis of the date that we receive their Application to Register for Enrolment.

Confirming Enrolment
Please be aware that the School’s waiting lists are not static and are subject to constant change. This may result from prospective students registering for enrolment, or students transferring from one waiting list to another. Whilst we are happy to provide general advice as to the likelihood of your child being offered a place at the School, we are unfortunately unable to provide specific information as to your child’s place on the waiting list.

Change to preferred commencement year
If the School is unable to offer your child a place, or if you decide to alter your child’s preferred year of commencement, your child’s application may be moved to another year’s waiting list. This may be a verbal or written request, and we will confirm the alteration in writing. Again, a change of this type is no guarantee of a place.

Special needs
Please advise us when you register for enrolment if your child has any special needs, or if any special needs become apparent after you have registered. This information is essential so that the School may determine how best to meet the specific needs of your child, and whether in the circumstances the School is the most appropriate environment educationally, socially and developmentally.

The Peninsula School’s Fees comprise four components:

1. Enrolment and Entrance Fees
   A non-refundable, non-transferable Enrolment Fee of $100* per student (Day & Boarding) is payable when an Application to Register for Enrolment is completed with the school. There is a discounted family fee of $150 if multiple siblings are registered at the same time for enrolment at the School.

   A non-refundable, non-transferable Entrance Fee of $850 is payable on acceptance into the School to cover the administrative cost of our admissions process. This is not offset against tuition fees.

2. Annual Tuition Fees
   Tuition Fees are charged in three instalments per year. These instalments in 2017 will be issued on 18 January 2017, 12 April 2017 and 12 July 2017. Extras are charged with each instalment. A supplementary account will be issued on 30 October 2017 for extras only.

   Tuition fees are set annually. Net tuition fees for 2017 are:

Tuition fees will be applied pro-rata for new students who commence at the school after the first day of Term 1 on the condition the student commences on the date specified in the letter of offer.

3. Annual Compulsory Charges
   Capital Development Levy
   An annual Capital Development Levy of $660 per family is charged in 3 instalments per year. These funds are used by the school to maintain and develop the grounds and the facilities of the school.

   Computer Expenditure

   Software Licensing Fee
   A fee of $180* for students in Years 7 to 12 will be charged with billing 1 per student. This fee is to cover the licensing costs associated with School-used software and applications.
